Training with The MaraWay

Courses are offered by CQUniversity Australia, RTO 40939. The MaraWay will conduct training, assessment and recruitment on behalf of CQUniversity. CQUniversity is responsible for issuance of qualifications.

What does this mean for you as a student?

It means you get access to the best of both worlds in training. The MaraWay Training works with CQUniversity as a third party, so we can offer you a **different style of training**.

You will attend classes with The MaraWay in *our* training rooms. Our trainers will work with you (face to face) in a classroom environment. They will support you all the way to complete your course-work online and assist with securing your work placement requirements.

What will it cost?

The overall cost of this course will vary depending on your personal circumstances. Please contact The MaraWay Training on **(07) 4040 2035** for further information. Full Fee for Service students will require an initial upfront deposit for all qualifications. Please ask for further details as this will be determined on an individual case by case basis.

Financial Assistance

If you enroll in this course as a full-time student you may be eligible for financial assistance from Centrelink. Information about Austudy/Abstudy may be obtained from Centrelink offices or at www.humanservices.gov.au.

Extra Support

We believe our 'care and support factor' is unmatched. Whatever challenges a person might be facing, The MaraWay Training and Community Hub are welcoming spaces for anyone who needs a little extra support. We have a reputation for going the extra mile and that's exactly what we do, day in day out.
